VMware Remote Access lets you access your work saved on your home area outside of College. It is useful for students that do not have access to Microsoft Office.

Go onto the College website - https://www.blackburn.ac.uk/

Click on **Staff and Students** at the top of the page

Select **VMware Remote Access** from the students option

Select **VMware Horizon HTML Access**

Log in with your **student ID and password**.

Click onto **Student Windows 10**
